<b>67 Lots</b>	<b>74 Head Selling</b>
<b>4 Bulls</b>	<b>63 Females</b>
<b>7 Calves</b>	

LOTS 63 TO 67 WILL SELL AS COMMERCIAL HEIFERS. MOST OF THEM WILL BE BRED BY SALE DAY. THE MAJORITY ARE SIRED BY TOLQUHON KEYNOTE AND ARE OUT OF REGISTERED COWS.

## A BRIEF HISTORY

A herd of quality Commercial Shorthorns were maintained at the Kellner's for many years until in the early 1940's. In order to obtain better cattle, a small group of registered cows with calves were purchased. A few years later another small group of females were added to the herd, which continued to grow through the selection of the best heifer calves for replacements. Herd numbers increased and last year the herd was fifth largest in registrations with the American Shorthorn Association.

In looking for improvement, one of the early sires was a Mercury sired by Edellyn Medly Mercury. His dam was Sni-A-Bar Missie 42D. Another excellent bull which was used with good success was Edellyn Bandit Leader sired by Squadron Leader, an American Royal champion. Bandit's dam, Edellyn Broadhooks 37th, also produced Edellyn Broadarrow, top selling bull in the 1957 Edellyn farm sale to Henry Dietz at WaKeeney.

In later years, looking for continued improvement bulls which were imported from other countries were used. Five of the last six were imported or imported in dam. Three from Scotland and two from Canada. The sixth bull's sire and dam both were imported.

The improvement of Shorthorns became of such great interest in the family that a son, Royce, attended the Shorthorn sale in Perth, Scotland, in 1962.

Now, in the Twenty-fifth year we are looking forward to the years ahead with confidence in an exceptional breed steadily expanding with popular acceptance of the beautiful reds, whites and roans.

### THE KELLNERS

#### SALE MANAGER'S MESSAGE

The Kellner Shorthorn herd has existed for many years. In numbers it is one of the larger Shorthorn herds in the United States. Because of their large farm operation, and short of help, they have not exhibited their cattle at shows and fairs. However, they realize the necessity of using the best bulls that could be found. They have used top bulls from Canada and the United States. After reading over the pedigrees in this catalog you will realize the time, travel and money used in the past years to develop this good Shorthorn herd. If you are interested in purchasing cattle, don't miss this first Kellner Production Sale.

These cattle are not highly fitted, but will sell in healthy condition. The breeding and quality of these cattle are some of the best. This is a reputation herd; you can buy with confidence in this sale. The facilities at the Goodland Sale Barn are very good.

Milton H. Nagely, Sale Mgr.

Torment's dam, Glastullich Augusta Annis and his paternal granddam, Glastullich Rosewood Ruth are top favorites in the Fernwood herd. Torment is a strong breeding bull. He has sired more calves in a shorter period of time than anything we have known before. His calves are so exceptional that we have received repeated offers for an interest in him.
